1.3.2 - Institution familiarizes students with the diversities in school system in Indian as well as international and comparative perspective. Describe in not more than 100-200 words how students are familiarized with the diversity in school system in India with respect to: Development of school system Functioning of various Boards of School Education Functional differences among them Assessment systems Norms and standards State-wise variations International and comparative perspective

Apollo College, Anjora, Durg follows the curriculum prescribed by Hemchand Yadav Vishwavidyalaya for M.Ed, B.Ed. course. It is a balanced curriculum for the training and grooming of the pupil teachers even in the role of diversity and equity in teaching-learning process.

The curriculum provides theoretical insight to the PTs to envisage the various educational, social and psychological issues. Apollo College provides an opportunity to apply and practice the theoretical aspects in real life situation through field experiences. Apollo College provides equal weightage to theory and school based practical activities.

There is a sociology part in the Second Sem. core paper (Sociological Perspective of Education) of the M.Ed./ B.Ed. curriculum. The prescribed part familiarizes the PTs with the concept, meanings and importance of equity and diversity. Besides, it focuses on the problems of caste and class based disparities and the aspects concerning democratic functioning of society, national integration, international understanding and their interrelations. In this context, the content outlines the ways and means for observing equity and respecting diversity. Similarly, the paper on Educational Psychology enables the learners to understand and appreciate the principles of equity and diversity so far, as they emanate from individual differences. The duly contextualized differences (diversities) are practiced with equity under focus during the course of teaching.

1.3.3 - Students derive professionally relevant understandings and consolidate these into their professional acumen from the wide range of curricular experiences provided during Teacher Education Programme Describe the efforts made by the institution to enable students to develop understanding of the interconnectedness of the various learning engagements and to make them ready for the professional field in not more than 100-200 words

Apollo College is situated in a neat and clean surrounding and housed in a lush green-pollution free environment in an excellent building with all infrastructural facilities conducive for conduction of teacher education programme. Apollo College has a well developed play ground. It also has a multipurpose hall of the required (200+) seating capacity and is equipped with required electronic gadget for effective conduction of curricular and co-curricular programs. Apollo College also has a seminar room which is equipped with public address system and Screen projector and Smart Board. Besides, it has computer resource centre, language resource centre and ET/ICT resource centre.

There is a suggestion/complaint box in the main building of Apollo College. Any stake holder can put his/her suggestions/complaints in the box. The suggestions are analyzed and worked upon. The feedback from the PTs is taken at end of the academic year also. Feedback from alumni, community people and parents are also entertained. On the basis of feedback analysis conclusions are drawn and decisions are taken for implementation.

There is a democratic way of communicating to the PTs which provides a conducive atmosphere giving enough space/opportunity for the expression/understanding of barriers in PTs learning. The faculty and PTs representatives talk freely in student council about barriers to learning. All the possible efforts are made by the faculty to remove these identified barriers.

2.2 - Honoring Student Diversity

2.2.1 - Assessment process is in place at entry level to identify different learning needs of students and their level of readiness to undergo professional education programme and also the academic support provided to students Describe the assessment process at entry level to identify different learning needs of students and their level of readiness to undergo professional education programme and also the academic support provided to students, in not more than 100-200 words.

Every student has different learning attitudes and learning habits. Within the classrooms faculty have to deal with different types of students; some are very intelligent who learn very fast and some are quite weak who learn very slowly & fast. Therefore it is required to determine the abilities of students in the class. Based on the ability determined, some need only guidance and some students need a hard work and regular attention. Once the admission process is over, an Induction programme is planned for the newly admitted students to inculcate the ethos, value system and culture of the institution. It includes several activities such as Sadbhavna inter college competition, Communication skills, Personality Development, Literary events, Art and culture also Beauty treatment etc. At the time of Induction all the functionaries including Chairman, Principal, Management, HOD, interact with the students to guide them and know their need and aspirants. The objective of such assessment process of the learning levels of the students are: 1. To identify the factors affecting the student's performance. 2. To analyse them with respect to the institutional framework. 3. After identification and analysis, to provide a proper suggestions for improving their performance and build a successful career.

2.3 - Teaching- Learning Process

2.3.1 - Multiple mode approach to teaching-learning is adopted by teachers which includes experiential learning, participative learning, problem solving methodologies, brain storming, focused group discussion, online mode, etc. for enhancing student learning Describe the varied modes of learning adopted and their basic rationale for adopting such learning mode/s for different courses of each programme in not more than 100-200 words.

Experiential learning means "Learning by Doing". Apollo College utilizes many experiential learning methodologies like project work, teaching work, laboratory work, internships, assignments, workshop, guest lectures and competitions. These activities are well planned and properly supervised by teachers so students can learn to apply knowledge and understanding. For Participative Learning of students our college focus upon management activities, role plays, debates, speech, self-help group activities, classroom presentations and various cultural events in which students participate to develop and exhibit inner qualities with

discipline. By these activities students learn to coordinate with other team mates and handle the performance pressure. Students are encouraged to take part in outside competitions. Problem solving methodologies develops ability to take decisions with the use of knowledge and mental ability. For this purpose our college conducts induction programme, case study classes, quiz competitions, scientific lab experiments, career counselling and group discussions. Teachers give students proper guidance to excel exams and listens their grievances, after unit tests and internal exams.

2.3.5 - Continual mentoring is provided by teachers for developing professional attributes in students Describe in not more than 100-200 words the nature of mentoring efforts in the institution with respect to working in teams dealing with student diversity conduct of self with colleagues and authorities balancing home and work stress keeping oneself abreast with recent developments in education and life

Apollo College is a Teachers training college. Teacher educators are engaged in continual mentoring for trainees to develop professional qualities in them. The College has adopted and practiced a systematic mentor-mentee mechanism in which teachers as mentors supervise a small group of mentee (13-15 trainees). This mentor-mentee system worked in following different aspects;

1. Working in Team:
2. Dealing with Student Diversity:
3. To follow conduct of self with Colleagues and Authorities:
4. Balancing work load of home & work place:
5. Keeping Updated: Awareness towards needs and changes occurring in the surrounding is very important for trainees. Mentors do timely updation of knowledge, technology about evaluation system for their mentee. Mentoring provided during general assembly, during class and during personal guidance sessions, keeps the mentee updated.
6. Mentoring provided for Projects, Research, Capacity building and assessment: Professional development of trainees largely depends on how effectively a teacher educator perform his mentoring for conducting projects; to work in team, to acquire assistance of peer group for completion of projects, Mentor teachers guide and support continuously to PG Students and research scholars for conducting their research. Apart from professional capacity building programmes students will get support from their mentors for developing professional qualities in them.

2.3.7 - Teaching learning process nurtures creativity, innovativeness, intellectual and thinking skills, empathy, life skills etc. among students

We believe in our college that B.Ed. and D.El.Ed. Student teachers must learn some life skills & soft skills apart from the needed intellectual skills. Developing head, hand & heart is considered as basic objective to be achieved through education. Nurturing creativity and innovation by providing opportunity to student-teachers is integral part of the training. Intellectual and thinking skills like systematic memorization and learning based on concept attainment model (CAM), pedagogy based lesson planning and preparing teaching plan. Student-teachers are also motivated to prepare ICT Supported teaching plans, value outcome focussed teaching plan and multiple intelligence based teaching plan to develop better cognitive skills among students teachers. We do encourage development of life skills like communication, leadership, self confidence, initiation, writing skill by giving assignments, cooperation and coordination skills through organising various activities like workshop, role play, assigning leadership responsibility, conducting team events like sports, cultural events, creating problem solving and decision making situations task given to them and asked to complete it by taking group-discussion and so on.

We also organise some activities where trainees could understand their own strength and weakness and they are advised and mentor to ensure proper utilization of this understanding.

2.6 - Evaluation Process

2.6.1 - Continuous Internal Evaluation (CIE) of student learning is in place in the institution Describe details of the Continuous Internal Evaluation in the institution highlighting its major components in not more than 100-200 words

Being affiliated to Hemchand Yadav University Durg, the college follows continuous internal evaluation as prescribed by the university which is monitored by keeping the records of the performance of each student in the each activity. At the beginning of the semester, during orientation faculty members inform the students about the various components in the assessment process. There is internal evaluation process in each of the theory paper as well as teaching papers as per university guidelines. It is based on class attendance, class discussion, written assignment, class test, general behavior, group discussion, seminar performance, house test and sessional work. Internal evaluation process is communicated to the students well in advance. Question paper is prepared for sessional / Model exam by teaching faculty regarding their subjects as per the pattern of university. On the basis of opinion of concerned teaching practice school, about students' sincerity, punctuality, obedience, Internal evaluation for practical subject of D.El.Ed., B.Ed and M.Ed is monitored. Assessment of keeping the records of practical files, specified practical work such as teaching practice, lesson plan, Unit plan, Proposal and dissertation work. Teachers maintain all the record of academic, co curricular and extracurricular activities of the students and assessed internally on the basis of their performance.

2.6.3 - Mechanism for grievance redressal related to examination is operationally effective

Apollo College adopts a systematic mechanism for the redressal of examination related grievances. Students grievances regarding examination usually arise from two sources, one is from internal assessment and other one is related to university exams. Examination cell is responsible to deal with the grievances related to internal assessment and external University examination.

Internal assessment is an integral part of a trainee's progress during the course tenure continuous and comprehensive assessment required to conduct and supervise students multi-dimensional assessment through unit test, weekly test, model exam, participations in various activity, assignment, project, presentations, and so on. If students have any grievance regarding internal assessment it is to be clarified by the examination incharge. Internal assessment incharge receive the grievance and assess the severity of the grievance. If it contains some silly mistakes like wrong entry of marks & error of totalling it can be rectified by the incharge. If the grievance indicates biased marking or poor internal marking, the grievance should be forwarded to a redressal committee. This committee review the students performance and reassess. If the grievance is found correct in the form of some inappropriate marking, the subject teacher is suggested to reassess and submit revised marks.

2.6.4 - The institution adheres to academic calendar for the conduct of Internal Evaluation Describe the mechanism of adhering to academic calendar for the conduct of Internal Evaluation in the institution in not more than 100-200 words.

Internship programmes of D.El.Ed and B.Ed are scheduled at different levels from semester I to IV (In Ist year & IInd year) to continuously assess the student teacher's progress and improvement in teaching skills. Minor changes are made in the scheduled dates based on the request from the practicing schools. After the completion of each semester, for the B.Ed. programme, internals/periodicals are conducted after 45 days of classroom instruction. Similarly for the M.Ed. programme, out of the total marks for each course 30% marks are allotted for Continuous Internal Assessment), out of which 5 marks for assignments, 10 marks for seminars and 15 marks for internal assessments are allotted. The dates for orientation, conduct, showcasing and submission of the projects semester-wise, are clearly indicated in the academic calendar. For the M.Ed. programme during Inter-Semester Break after each semester, students complete their dissertation work and practical works related to the projects prescribed. In case of revision of academic calendar by the university, institute incorporates the necessary changes accordingly.

The Principal- compiles the academic plan submitted by the teachers and ensures that there is no overlapping of the activities in general and the Continuous Internal Evaluation in particular at both the internal as well as the University level exams.

2.7 - Student Performance and Learning Outcomes

2.7.1 - The teaching learning process of the institution is aligned with the stated PLOs and CLOs. Describe the way in which institution ensures alignment of stated PLOs and CLOs with the teaching learning process in not more than 100 - 200 words.

College follows the outcome-based education; hence the Program Learning Objectives (PLOs) and Course Learning outcomes (CLOs) are aligned with the vision and mission of Apollo College. College focuses on development of its students not only by quality education in teacher training but also in instilling a sense of self worth and discipline. Students would get opportunities to participate in numerous co-curricular activities like value added course, certificate course on and off the campus, to realize their true worth and potential. For defining the PLOs and CLOs, we follow the consultative process involving the stakeholders and committees of the college. Adequate care is being taken by the Durg University in describing the knowledge, skills and competencies that students are expected to acquire during P.hD, M.Ed. B.Ed and D.El.Ed programme. The teaching learning process adopted in the college is student and curriculum of college is drafted based on the learning outcomes (PO &CO) . Translation of curriculum is linked among learner , syllabus ,content ,skill and needed support system .

At the beginning of academic year during orientation programme students are briefed about PLOs and CLOs. Which are additionally prominently portrayed on college notice boards, college websites, and other seminars and conferences platform.

2.7.3 - The progressive performance of students and attainment of professional and personal attributes in line with the PLOs and CLOs is monitored and used for further improvements

The college offers PhD, M.Ed , B.Ed & D.El.Ed programme with clearly defined outcomes. Programme Learning outcomes and course Learning outcomes are in sync with each other. The college has a well planned and systematic process of collecting and evaluating data on programme and course learning outcomes and uses them to overcome the barriers to learning. Measurement tools such as seminars, tests, group discussions, quiz and assignments assessment through unit test and day today activities are used to assess student learning outcomes. It is used by the college to overcome learning obstacles. As per Continuous assessment, depending on the course style, several methods for continual evaluation include class tests, seminars, and assignments. The students of the college provide inputs on drawbacks, limitations and merits in teaching and learning. Feedback is also collected to assess the performance of the the faculty members. Student Welfare Cell of the college helps in resolving students' problems - academic, psychological etc. supporting them to attain the programme outcomes. Different ways in which the students and staff are made aware of learning outcomes are as follows:

a) Teachers plan those learning activities in the subject class that can motivate learners to analyze their learning outcomes.

6.1.2 - Institution practices decentralization and participative management Describe the process of decentralization and participative management practiced in the institution in not more than 100 - 200 words

Decentralization is done in such a way to involve everyone and make everyone feel responsible and important. The process of decentralization start from the management, the Director from management side to administrative and the administrative to the Principal, from the Principal to the Vice Principal, from the Vice Principal to the teachers and from the teachers to the students. The Internal Quality Assurance Cell is the two central administrative bodies vested with powers to make important institutional decisions. Although the flow of authority is from top to bottom in these .Decentralization and participative management are integral to its operational ethos. Decentralization

involves the delegation of decision-making authority across various levels of the institution. This empowers faculty and staff at different committee or cell to make decisions tailored to their specific needs and contexts. Participative management fosters a collaborative environment where stakeholders, including faculty, staff, and sometimes students, actively contribute to decision-making processes. In practice, decentralization might mean department heads having autonomy over budget allocation or curriculum design, while participative management could involve regular forums where faculty and staff discuss issues, propose ideas, and collectively solve problems. This approach not only increases efficiency but also enhances morale, engagement, and the overall quality of education delivery within the college.

The college has Performance Appraisal System for teaching and non-teaching staff which strictly follows the UGC regulations for the Appointment of Teachers and other Academic Staff in the institution. For the Maintenance of Standards, amendments are made therein from time to time, for teaching and nonteaching staff. The performance of each employee is assessed annually after completion of one year of service. The objective is not only to objectively evaluate the performance as per established norms, but also to identify potential aspects for improvement that can eventually lead to further progress and growth of the employee. The performance of each faculty member is assessed according to the Performance. The principal engages with faculty through regular staff meeting Interactions and access the work of faculty. This form of mutual interactions on a regular basis is important for their own classes. Comparison of University results with college result gives a fair idea to the principal and concerned faculty about the academic performance of the college. The institution also undertakes a wide range of activities besides academics, for

which faculty members are assigned additional duties and responsibilities, which are mostly voluntary. The college accords appropriate weight age to these contributions in their overall assessment.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources are in place. Describe the procedure of mobilization of funds and its optimal utilization in not more than 100 - 200 words.

Every year annual budget is prepared well in advance as per the needs and requirements of the college. It incorporates budgets of academic department, research activities, computer lab, psychology lab, Library and sports. As per budget the Principal proceeds with the planned activities. The college and faculty take efforts for mobilization of funds. The institution encourages faculty of the college to generate funds for the different activities. The purchase committee helps us to mobilize more and more funds to create a well-furnished and healthy campus for the students. The IQAC always looks for the new measure for mobilizing funds and it has developed systematic procedures for their optimal utilization. The college has tried to generate funds in the form of money and material objects. The college has very transparent mechanism of auditing and a specific committee for utilizing this grant and

resources. The purchase committee considers requirements from all the departments, invites quotations, prepares comparative statements, negotiates with suppliers and then purchase order is placed. The purchase procedure is scrupulously monitored by committee. The institution focuses on maximum utilization of resources. All funds mobilized are properly accounted for in the account books. The audited utilization statement of accounts is submitted to the funding agencies for specific grants. Every year the institution conducts external and internal financial audits by appointing statutory auditor in the annual general meeting.

6.5.2 - The institution reviews its teaching-learning process periodically through IQAC or any other mechanism Describe the process adopted by the institution for reviewing Teaching-Learning Process periodically in not more than 100 - 200 words.

The IQAC of the college has devised several mechanisms to review the effectiveness of the teaching learning process, structures and methodologies of operations in the institution and strived hard for its reforms. Adequate space in classrooms, quality instruments and equipment in laboratories, appropriate knowledge resources in the library and ICT facilities in classrooms, labs and the library are ensured before the commencement of every academic year. A good number of faculty participation in syllabus revision workshops enhances the preparedness for effective teaching learning in the classrooms. Scheduling of courses in the timetable is done by keeping in view various factors such as the nature of courses like compulsory/elective/add-on/remedial etc. on one hand and schedules of co curricular and extracurricular activities on the other. The IQAC is also keen on teachers' training and retraining workshops organized to diversify the teaching methodologies used by the teachers in their day to day teaching practices. The most commonly used methods are projects, internship, field visits and ICT based teaching including LMS like Google Classroom. For further enhancement, many faculty members prepare specialized tools such as workbooks, practical handbooks, blogs, etc. Guest lectures by eminent faculty from institutes with MoU are also arranged for providing exposure to the frontiers of knowledge. Designing and conduct of free of charge or affordable need based add-on courses is also a regular practice to bridge the gap between the university curricula and the market demands.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Institution has a stated energy policy streamlining ways of energy conservation, use of alternate sources of energy for meeting its power requirements Describe the institution's energy policy streamlining ways of energy conservation, use of alternate sources of energy for meeting its power requirements in not more than 100 - 200 words.

Apollo college has Well-designed building to maximize the use of natural light and ventilation. Sensitization of management, teaching and non teaching staff and right from the time the students join the college, they are trained to conserve energy by switching off the lights and fans in classrooms when they leave after the class. Leaking taps are repaired immediately. A good percentage of the power requirements of the College are met by the renewable energy sources. Air conditioners are used only when necessary. It has a policy of employing LED lights throughout the campus. The Institute initiates the implementation of replacing all the lights with LEDs. The entire campus is lit by LED lights. Used modern more cost-effective LED lights. Floor-wise master switches for each room to shut down power of entire room when not in use. Use of alternate sources of energy for meeting its power

requirements. Our college takes effective steps on harnessing solar energy. Use of Solar is one of the easy ways to cut down electricity costs at institutions to utilize a large portion of the sun's energy. Rain water is harvested to prevent water wastage. The college campus is environmentally friendly with medicinal plant, fruit and flower plant and trees spread out across the beautiful gardens.

7.1.2 - Institution has a stated policy and procedure for implementation of waste management Give a brief note on the institution policy for waste management along with its implementation procedure in not more than 100 - 200 words.

Apollo college has has a clear waste management policy for disposing off-dry, wet, e-waste, and wastewater management. We try to create consciousness among management, teaching and non-teaching staff and student about the ways in which waste is generated and the means by which they can reduce waste generation and manage the waste they produce by reducing, reusing, recycling, refusing and regenerating. The Institution takes initiative for the management of wastes which is generated within its campus. Training Programmes are conducted from time to time about the methodology of disposing the waste. It was stressed that we should avoid plastic items to the best possible capacity. It is also advised that the Institute should use utensils made of papers and recycled material. The college has implemented a waste management system which involves segregation of wet, dry, paper and green waste .The dry waste which includes paper, cardboard, plastics, scrap materials is separated from others. Organic wastes like the leftover food, peels, scrapings from fruits etc are also collected in bins separately. The food waste generated from the college kitchen and canteen is collected, decomposed and used as manure to be used for gardening purpose. Our Institution reuses the papers (one-sided) for off the record work of the college. Waste Paper boxes have been placed at appropriate places in the labs, staff rooms and Administrative room of the Institution.

7.1.5 - Institution is committed to maintenance of cleanliness, sanitation, green cover and providing a pollution free healthy environment Describe the efforts of the institution towards maintenance of cleanliness, sanitation, green cover and providing a pollution free healthy environment in not more than 100 - 200 words	
By enforcing the Prime Minister's "Swachh Bharat Mission", Apollo	

College is always committed to maintaining a clean college environment sets a good example to students, teachers & other staffs. It encourages learners to take pride in their college, which makes them less likely to drop litter and as such they will potentially make a bigger effort to maintain their environment. Cleanliness is incredibly important when it comes to cutting down on the spread of diseases in the college and means that staff and students are able to enjoy a comfortable learning environment. It also improves hygiene levels and can help to reduce the spread of sickness. Entire campus has well maintained green gardens. Every year 'Tree plantation' is carried out to increase green cover. We are endorsing and enforcing measures to make the College a carbon free campus. In another step towards the preservation of the intricate water table in the college, building has been made compatible for rain water harvesting. We are positive that the rain water harvesting method employed by us will be the guiding light for others. The building architecture of college is designed in such a manner that permits the free flow of air and allows natural light to cover all the corners of the building. The ample natural light therefore avoids the usage of the lights in the corridors and rooms.

7.2 - Best Practices

7.2.1 - Describe at least two institutional best practices (as per NAAC format given on its website)
Describe any two best practices successfully implemented by the institution as per NAAC format

BEST PRACTICE-1

Vocational Education - Mask Making, Rakhi making, Herbal Gulal&colors Making

The Context: Most of the students are facing difficult times at home and outside because of the pandemic. In this time, having a creative outlet can help them feel happier. Also, such group activities as rakhi and Herbal Gulal making might help make them feel less lonely. Using herbal gulal, or colored powders made from natural ingredients, can be a wonderful way to celebrate festivals like Holi while also being mindful of the environment and personal health.

Outcome: The students felt happy and satisfied by making and selling Rakhis and Herbal Gulal. After making herbal gulal student teacher develop new skills in him/her and enable to become self independent. The aim of the vocational programme is to develop the skills of students and prepare them for employment.

Free Education Objective: The College encourages its students to take part in the initiative where they go to under-staffed schools to teach. We recognize the value and importance of education, especially elementary education. Hence, we encourage and support our students to volunteer for free teaching in schools where their services may be required. This not only helps our students to become better teachers but also helps the under-privileged students to get the benefit of gaining knowledge from good teachers at no extra expense.
